

**Press release: British Glove Association Competition Winners July 2009**

The **Glove Design Competition** encourages students to create practical yet original glove designs.

The **Safety Poster Competition** asked students to create a poster to encourage the wearing of safety gloves.

Winning entrants were invited to a prestigious prize giving lunch at Drapers' Hall, London, hosted by the Worshipful Company of Glovers.

The Winners at Draper's Hall

---

**Background**

The BGA competitions have now been running since 1975 and are sponsored by the Worshipful Company of Glovers.

The Worshipful Company of Glovers is one of the ancient livery companies that once controlled and regulated their craft in the City of London. Nowadays, whilst continuing to retain strong links with their original trades, they are active in maintaining the traditions of the City and support education and charities in the wider community.
